26180 - 114 AVENUE
ACHESON, AB T7X

CALL US:
1-877-962-9110

OPEN: **Monday to Friday**
HOURS: **7:30 am - 5:00 pm**

Single Leg Tower lifts 15' above the truck frame so the tarp can easily be pulled over the load

The light-weight, easy to handle, mesh tarp material allows you to quickly contain heaping loads from the safety of the ground

Hydraulics for the system are self-contained and require minimal maintenance. Easily raise and lower the tower with a toggle switch.

Specially designed supports keep tower secure for transport. Preassembled for Easy Install
