

# SUPER B FLAT DECK

## DECKING

1 5/16" fir ship lap & linseed oil treated.

## CENTER BRIDGE

Aluminum walking deck with left & right side steps for easy access.

## LOAD SECUREMENT

(39) 3-bar winches and J-hooks line the outside frame of the lead & pup and have all tested to meet current load securement regulations.

## LIGHTS

High visibility 4" LED lamps on rear Stop/Turn/Tail/Strobe & ID lights so the trailer is seen in all weather conditions.

## TWO-SPEED LANDING GEAR

This trailer is equipped with Holland Mark V two-speed landing gear, which has a static load rating of 120,000 lbs.

## FRAME

100,000 psi high tensile steel is used for the flange and the webb, making this a strong trailer with a long service life.

## FULL MUDFLAP PACKAGE

This trailer comes standard equipped with 3 mudflaps ahead of the landing gear on the lead & pup, with 2 mudflaps ahead and behind axle groups.

## ALUMINUM TOOLBOXES

Two 24"x30"x60" toolboxes on lead trailer and two on the pup. The toolboxes utilize a no-fuss locking system that won't freeze up in the winter.
