Celebrating 50 Years of Keeping You on the Road

2025 marks 50 years in business for Hayworth Equipment Sales, and we couldn't have reached this milestone without the incredible support of our customers, employees, and industry partners. Since opening our doors in 1975, we've grown from a small family-run operation into a trusted name in truck and trailer sales, service, rentals, and parts across Alberta. Through every challenge and success, one thing has remained the same—**our commitment to providing honest, reliable service and practical solutions that keep you moving.**

DECKING

1 5/16" fir ship lap & linseed oil treated.

CENTER BRIDGE

Aluminum walking deck with left & right side steps for easy access.

TWO-SPEED LANDING GEAR

This trailer is equipped with Holland Mark V two-speed landing gear, which has a static load rating of 120,000 lbs.

FRAME

100,000 psi high tensile steel is used for the flange and the webb, making this a strong trailer with a long service life.

LOAD SENSING AXLE LIFT SYSTEMS

Tuff-Lift load sensing lift assemblies on the 1st, 2nd, and 4th axles adjust tire contact based on load weight, cutting fuel costs, extending tire life, and reducing maintenance expenses.

Premium Features, Affordable Price

Discover exceptional value and advanced features with our Gincor Super B Flat Deck Trailers, a cost-effective alternative to other well-known super b flat deck brands. Manufactured with precision and equipped for optimal performance, these trailers stand out with their robust design and budget-friendly pricing.

SUPER B FLAT DECK

LOAD SECUREMENT

(39) 3-bar winches and J-hooks line the outside frame of the lead & pup and have all tested to meet current load securement regulations.

LIGHTS

High visibility 4" LED lamps on rear Stop/Turn/Tail/Strobe & ID lights so the trailer is seen in all weather conditions.

FULL MUDFLAP PACKAGE

This trailer comes standard equipped with 3 mudflaps ahead of the landing gear on the lead & pup, with 2 mudflaps ahead and behind axle groups.

ALUMINUM TOOLBOXES

Two 24"x30"x60" toolboxes on lead trailer and two on the pup. The toolboxes utilize a no-fuss locking system that won't freeze up in the winter.
